COLLECTORS OF NOVELTIES IN IRIS

In this, our first catalog, we earnestly solicit your order. We have collected iris for many years and have pretty strong ideas about what constitutes a good rhizome and how a customer should be treated. Now is our chance to put into practice these things we have appreciated and too often found lacking—and it is our chance to show you how well we mean to treat our customers.

To induce you to try our service and to see what fine stock we ship, we give you an opportunity to make your own collections without hindrance or limitations. **YOU MAY TAKE 1/3 OFF YOUR TOTAL ORDER (33 1/3% DISCOUNT) ON ALL IRIS LISTED IN THIS CATALOG. NO ORDER TOO SMALL.**

Let us show you what we can do!

We believe this to be a collection of the finest iris available, those which have proven themselves outstanding in ease of culture as well as unsurpassed perfection of beauty. All are worthy of your attention.

TERMS: Cash with order, please. Postage is prepaid on all orders in the U.S.A. that amount to \$3.50 or over. On smaller orders add 50c for packing and postage. California residents add 3% Sales Tax. Shipments start about the last of May unless requested otherwise. We reserve the right to withdraw any flowers from sale or gift at any time.

Give us a list of wants and alternates so we may be generous and send you extras we are assured you would like.
